

Crockpot Christmas Honey Ham

CROCKPOT CHRISTMAS HONEY HAM

3/4 cup packed light brown sugar

1/2 cup honey

1/2 cup water

1/4 cup mustard

1 (8- to 10-pound) bone in ham

Mix together glaze in glass measuring cup, then heat up in microwave until the brown sugar dissolves. Only about 30 seconds.

Prep your ham, but save juice in the plastic. That's the good stuff! Dump that goodness right in your crockpot! Then, place ham in your crockpot, but make sure your lid will fit over it. Now, get a fork and just go to town stabbing holes in it to get the juices and glaze flowin through it. Slowly pour half of glaze over ham. Cook on low 6-8 hours. Every few hours I want you to poke more holes and keep pouring more glaze over it. Your home is gonna smell devine!!
