

# Skillet Pizza Roll Ups

*I can't even describe these. There are no words.*

1 can of Pillsbury Pizza Dough  
Pizza Sauce (I used homemade sauce)  
2 cups shredded mozzarella  
Pepperoni

Unroll the dough and place down on a cutting board. Cover with sauce lightly from corner to corner. Then top with cheese the same way. Place pepperoni on last and any other toppings you would like to add.

Roll up as tight as you can get it, jellyroll style. Cut 1 inch pieces and place in a GREASED skillet. (If you don't have a skillet just use a casserole dish.) Bake for 20 minutes at 400 degrees.

Serve with a side of warm pizza sauce for dipping.
