

# Slime Drink

*Creepy touch to any Halloween gathering!*

Slime Drink

$\frac{1}{2}$  Quart of Vanilla ice cream (or yogurt for a healthier version)

1  $\frac{1}{2}$  cups of orange juice

$\frac{1}{2}$  cup milk

2 bananas

2 cups of ice

Green food coloring

Place in your blender the first 4 ingredients. Mix well until bananas are blended. Then add your ice and food coloring. Place in glasses, and chill in freezer for 10 minutes.

I made 3- 2 cups Ball Jars with this recipe.
